

PCN - Product Change Notification

Product Group: Snubber FKP	PCN No.: PCN-SNFP-2012-0001	Date: 09.07.2012
-----------------------------------	------------------------------------	-------------------------

Description of Change:	Part numbers have been changed for the WIMA Snubber FKP range with capacitance values from 0.01 µF to 2.2 µF and voltage ranges from 630 VDC to 4000 VDC.
-------------------------------	---

Classification of Change:	Minor Change
----------------------------------	--------------

Reason for Change:	Administrative reasons
---------------------------	------------------------

Part No./Series/Product Group affected*:	Snubber FKP case size coding: digits 11 and 12 of the part no.
---	--

*: All above mentioned part numbers are only related to the WIMA main catalog (standard products).

Note:	Please revise your master data for the above mentioned part numbers.
--------------	--

Quality Note:	No changes to the components' electrical or mechanical parameters
----------------------	---

Alternative WIMA Products:	Items are still available, but with another case size coding (see above)
-----------------------------------	--

Date of Change:	16.07.2012
------------------------	------------

Last Order Date:	none
-------------------------	------

Last Shipment Date:	none
----------------------------	------
